Outline - 24th April 2025  
Draft 1 - 30th April 2025  
Draft 2 - 9th May 2025  
Draft 3 - 15th May 2025

1 INT. CATERPILLAR CUBBY - EVENING 1

CHADWICK is seated at a mushroom table painting with gusto.  
Cosmo bustles in holding an acorn cup with a lid and spout.

1 COSMO 1  
Chadwick, look what I made Bellona  
for her butterversary - a non-spill  
nectar pot.

2 CHADWICK 2  
Nice one Cosmo, she'll love it, but  
not as much as she'll love *this*!

Chadwick holds up a self portrait - it's green and has a  
fancy moustache.

3 CHADWICK (CONT'D) 3  
It's me!

Cosmo tips her head to one side, a furrow creasing her brow.

4 COSMO 4  
Chadwick, you're not green...  
<BEAT> ... and you don't have a  
moustache.

Chadwick indicates the painting.

5 CHADWICK 5  
But if I did I'd look amazing!

6 COSMO 6  
I'm certain caterpillars can't grow  
moustaches.

7 CHADWICK 7  
I'm sure I could if I really tried.  
(turning)  
Hey, Cyd, what have you made for  
Bellona?

REVEAL: CYD sits a little way off, her back to her friends.  
She quickly hides what she's working on under a moss cushion.

8 CYD 8  
Don't look, it's not ready yet.

9 COSMO 9  
Really? You've been working on it  
for a very long time!

10 CHADWICK 10  
And we said we'd give our  
Butterversary gifts to Bellona at  
at the same time. Come on, I'm sure  
it's good enough.

Chadwick zips around behind Cyd, trying to grab the  
mysterious craft from under the cushion but Cyd snatches it  
away, causing Chadwick to overshoot and <BONK> into the wall.

11 CHADWICK (CONT'D) 11  
Oof! <then> I'm OK!

But now Cyd is cross and upset.

12 CYD 12  
Chadwick! It's *not* good enough, it  
has to be perfect!

This is when BELLONA, sensing tension, flits down.

13 CHADWICK/COSMO 13  
Quick, it's Bellona!

Cosmo and Chadwick rush to hide their gifts behind them.

14 BELLONA 14  
Hello my wriggly wigglers!  
(turning to Cyd)  
Sweet little Cyd, is everything OK?

15 CYD 15  
Well... I...

Bellona waits a moment but Cyd isn't forthcoming.

16 BELLONA 16  
Not ready to talk about it?

Cyd shakes her head.

17 BELLONA (CONT'D) 17  
That's OK. Why don't we go for a  
wiggle in the woods, maybe we can  
wiggle out your problem?

Cyd nods, a little smile hitching the corner of her mouth.

18 CYD 18  
Yes, thanks Bellona.

2 REPEATABLE WIGGLE IT OUT MUSICAL SEQUENCE 2

The Wigglers head off into Wiggle Wood singing their song.  
The action mimicking the lyrics.

I LOVE this song.

19 CYD/CHADWICK/COSMO 19

(singing)

Wiggle it out, wiggle it free,  
Wiggle through the branches of the  
big tall tree.  
If you're feeling grumpy, tired, or  
blue,  
Wiggle it out, that's what we do!

20 COSMO 20

(singing)

A bump in the path, a leaf in the  
way,

21 CYD 21

(singing)

A feeling I don't have the words to  
say.

22 CHADWICK 22

(singing)

But I give a squiggle, a jiggle and  
a shout,  
Twist my troubles and wiggle them  
out!

23 CYD 23

(singing)

Wiggle when you're lonely, wiggle  
when you're mad,

24 CHADWICK 24

(singing)

Wiggle through the sticky stuff  
that makes you sad.

25 COSMO 25

(singing)

A little forest rhythm, a Wiggle  
Wood beat,

26 EVERYONE 26

(singing)

Wiggle to the music and stamp your  
feet!

((MORE))

**EVERYONE (CONT'D)**

When life feels tricky, just give a shout:  
"I'm a clever little wiggler, I'll wiggle it out!"

3 EXT. WIGGLE WOOD - TREE STUMP - TWILIGHT 3

Chadwick, Cyd and Cosmo, carrying a torch, make their way through the wood, Bellona flitting a little way behind them.

27 CYD 27  
Wiggling always makes things seem better.

The three are distracted by an OS <BUMP>.

28 LUNA (O.S.) 28  
Ow!

The Wigglers, intrigued, head towards the sound. At the bottom of the tree stump they find LUNA GLOWWORM, rubbing her head. Bellona perches on a leaf, not too far away, watching.

29 CYD 29  
Luna Glowworm! Are you OK?

30 LUNA 30  
Somebody left this big tree stump in the way and I bumped into it!

Cosmo looks confused, <RAPPING> the tree stump with his hand.

31 COSMO 31  
I'm certain this tree stump has always been here.

32 LUNA 32  
Well, I didn't see it.

33 CHADWICK 33  
It is quite dark.

34 LUNA 34  
Of course! That would explain it.

35 CYD 35  
But Luna, you're a glowworm, why not use your glow to light your way?

Luna becomes awkward.

36 LUNA 36  
I... don't want to show my glow.

37 COSMO 37  
Why not? It seems a sensible solution.

Luna struggles to reveal the truth.

38 LUNA 38  
My glow, it's... it's... not good enough.

Chadwick, not reading the room, whizzes forward.

39 CHADWICK 39  
If you don't want to glow, maybe there's another way to help you.

Cosmo nods holding up the torch.

40 COSMO 40  
You could borrow this!

41 CYD 41  
Yes, we could tie it to your tail to light your way.

Luna grins and nods.

CUT TO:

4 EXT. WIGGLE WOOD - TREE STUMP - MOMENTS LATER 4

Cosmo stands proudly back to reveal the torch attached to Luna's tail with a vine. But Luna looks uncomfortable, the torch is heavy and as she tries to wriggle along she wobbles. The light flashes around into the eyes of sleeping ROBIN.

42 ROBIN 42  
Hey, some of us are trying to roost around here!

43 LUNA 43  
Sorry Robin!

Robin ruffles her feathers, settling back down.

44 ROBIN 44  
(grumbling)  
Thought it was morning. I'll never get back to sleep now... <then>  
<SNORE!>

Luna wiggles free of the torch.

45 LUNA 45  
There's really no need for the  
torch, I'll be fine.

Luna starts to wriggle away from the light torch and heads straight into the tree stump again <BONK>.

46 LUNA (CONT'D) 46  
Ow! OK, maybe I do need some light.

47 COSMO 47  
Luna, how does your glow work?

48 LUNA 48  
There's special stuff in my tail -  
when it mixes together, it glows.

Luna gives her tail a little wiggle and a faint glow flickers

49 CHADWICK 49  
Well, let's get mixing! We'll make  
your glow so bright, you'll *really*  
want to show it off!

Chadwick starts singing and wiggling to the beat, Cosmo and Cyd joining in.

50 CHADWICK (CONT'D) 50  
(singing)  
Come on, Luna, don't be shy,  
Twist your tail and reach up high!  
Wiggle to the left, wiggle to the  
right,  
Shake that sparkle and shine so  
bright!

Chadwick zooms up onto the stump doing a freestyle boogy.

51 CHADWICK (CONT'D) 51  
(singing)  
A twirl and a tumble, a jiggle and  
spin.  
The glow in your tail comes from  
deep within!

Chadwick ends with a big spin, but gets dizzy and whizzes off the tree stump, landing in a muddy puddle. <SPLOOSH!>

52 I'm OK! CHADWICK (O.S.) (CONT'D) 52

Seeing this, Luna starts <GIGGLING>, the jiggling of her laughter causing her tail to start glowing gently.

53 CYD 53  
Woah, Luna, your glow is beautiful!

Luna realises that she's glowing and immediately stops.

54 LUNA 54  
But it's not perfect.

55 CYD 55  
(realising)  
Its.. not.. perfect!  
58 (revelation) 58  
Luna! I know how you feel! I like  
things to be perfect too. But maybe  
they don't always have to be  
perfect to be beautiful.

Luna looks unsure.

56 LUNA 56  
Really?

57 CYD 57  
(nodding)  
Uh-huh, and I'd love to see your  
glow again.

Luna takes a <DEEP BREATH>.

58 LUNA 58  
OK...

She closes her eyes and holds her breath, giving her tail a little shake. It starts to glow again - a little and first and then brighter, and brighter. It flickers - showing it's not quite perfect, but it's still very impressive.

The Wigglers are bathed in a warm flickering glow.

59 CHADWICK 59  
Soooo pretty!

60 COSMO 60  
I wish my tail glowed.

Cyd gives Luna a big hug.

61 CYD 61  
I'm so glad you shared your glow  
with us.

Bellona flits over, joining Luna and the Wigglers.

62                                BELLONA                                62  
Hello Luna, what a beautiful glow!  
Oh, and look at that!

Luna and the Wigglers look about themselves. In the trees and bushes around them other little glows start to appear. Some bright, some not so much, some flashing, some twinkling.

63                                LUNA                                63  
Whose glows are those!?

Bellona smiles wisely.

64

BELLONA

Perhaps the other glowworms needed  
you to shine your light before they  
could do the same. Showing your  
glow can be scary.

64

Luna grins, glowing even more brightly.

65                                BELLONA (CONT'D)                                65  
Now come on my wriggly wigglers,  
time to go home. Goodbye Luna.

66 CYD/CHADWICK/COSMO 66  
Good night! / Bye! / See you soon!

67 LUNA 67  
Goodbye! And thank you!

Bellona leads the Wigglers through the trees, Luna waving and wiggling her glowing tail.

5 INT. CATERPILLAR CUBBY - LATER 5

Bellona and the Wigglers are back at the Caterpillar Cubby.

68                                BELLONA                                68  
So Cyd, did you wiggle out your  
problem?

69 CYD 69  
I did! And I think that, maybe it's  
Okay if something isn't completely  
perfect after all.

70 CHADWICK (BOUNCING) 70  
Does that mean we can finally give  
Bellona her Butterversary gifts!?

Cyd nods. Chadwick and Cosmo grin as they pull out their gifts, then pause as Cyd pulls out a mound of colourful wool.

71 COSMO 71  
What is it!?

Cyd shakes the wool and it unfurls into a long scarf.

72 CHADWICK 72  
A scarf! Awesome!

Cyd nervously offers the scarf to Bellona.

73 CYD 73  
I know it's not perfect, but...

Bellona takes part of the scarf, wrapping it around herself - there's still lots left!

74 BELLONA 74  
But it's absolutely wonderful!

Cyd beams!

75 CHADWICK (O.S.) 75  
(muffled)  
And snuggly warm.

REVEAL: Chadwick has the other end of the scarf wrapped around his head. Unable to see he whizzes into the table.

76 CHADWICK (CONT'D) 76  
Oof!

Chadwick looks up with a <GIGGLE> and raises his thumb

77 CYD & COSMO 77  
Chadwick's OK!

Bellona <CHUCKLES> and then cuddles her scarf. Cosmo and Chadwick hand her their gifts.

78 BELLONA 78  
Thank you all, I know you did your  
best and that makes these gifts  
beautiful!

Music builds to the 'Your Best is Beautiful' Song. Cyd holds up her knitting with holes in it.

79 CYD 79  
(singing)  
My knitting has some loops too  
tight,  
(MORE)

**CYD (CONT'D)**

Some stitches wrong, and not quite  
right,

Cosmo holds up her nectar pot

**COSMO**

My nectar pot's a wee bit wobbly

Chadwick holds his self portrait

**CHADWICK**

And my picture looks more like  
broccoli!

80

**EVERYONE**

80

(singing)

Your best is beautiful, bright as  
the sky,  
You don't need to be perfect, you  
just need to try.  
With love in each thread and hope  
in each hue,  
What you make with your heart is a  
gift that shines through.

81

**BELLONA**

81

(singing)

A gift is more than tape and glue,  
It holds a little piece of you.  
So let it wobble, let it twist,  
There's magic in each spot you  
missed!

82

**EVERYONE**

82

(singing)

Your best is beautiful, yes it's  
true!  
There's only one who's just like  
you.  
So paint and knit, and fold and  
glue.  
Your best is beautiful, just like  
you!

Bellona and the Caterpillars hug.

83

**BELLONA**

83

Ready for some wind-down time?

6

ENDING MINDFULNESS MOMENT OVER END CREDITS

6

Bellona, Cyd, Cosmo and Chadwick beside her, addresses the  
screen.

84

BELLONA

84

Okay all you Wiggly Wigglers, are you sitting comfortably?

Then close your eyes and we'll begin. Let's start by using our ears. What can you hear? A bird, a voice, the wind? Just notice it. Can you hear the beauty in the sound?

Now, breath in through your nose. What can you smell? What's on the wind? Is there beauty in what you smell?

Now slowly open your eyes, and look around you. What's something small and beautiful you can see? A pattern on the floor? The sparkle of light on a window?

Beauty doesn't have to be big or fancy. Sometimes a tiny thing is waiting to be noticed.

Let's take one more big breath in and out.

Give a little wiggle to your fingers and toes.

You just practiced noticing the beauty all around.
